Protection From Autumn Rains!

One of the best all-round garments made is the "Cravenette," or Rain Coat. Any suitable fabric may be cravenetted, which is a chemical process making any cloth waterproof. This gives the wide range of attractive fabrics which are made into "Sincerity" Rain Coats. Men who pride themselves on the correctness of their attire consider this garment necessary for wear in rainy weather alone But it serves the double purpose of being equally as good for cool, sunshiney days or a protection against rain. Our "Sincerity" Rain Coats range in price from \$10.00 to \$20.00. They are skeleton lined with inside tailoring to give them permanence of shape in the collars, shoulders and front.

"Sincerity" Suits and Overcoats!

We have a great line of these garments this season. We aim to constantly better our service and be "different," and as far as the claim of "best" is concerned we are willing that you make a comparison of values and prices.

Form-Fitting Underwear is the inevitable choice of the critical purchaser "CARTER" and "quality" are synonymous words. "CARTER" goods wear longer than other kinds because they are made of better material by skilled operatives, on machines almost human in their wonderful precision. Yet they cost you no more than many inferior makes. "CARTER" Union Suits do not roll up, bag, chafe nor sag at the seat, being reinforced at this point, and made with extra wide perfectly closing flap—exclusively a "CARTER" feature. "CARTER" Union Suits are soft and pleasing to the skiin, of permanently easy tension and great durability. They retain their original faultless shape until absolutely worn out. This perfection in fit and long durability represents thirty years of unceasing effort on the part of experts. "CARTER" Underwear has reinforced seams, lock-stitching throughout, and is treated to prevent absolute. Made in union and two-piece suits for women and children; union suits for men. Also a complete line of shirts and bands for infants. Refuse all substitutes. Look for the "CARTER" trade-mark. Ask any high-der, or write us for booklet, samples and full information. THE WM.
